Dear Friends,

Most of us probably have a pretty good idea of what our dream holiday would be like. What we wish for may vary from person to person, some of us may want sunshine and others can't stand the heat, but I suspect there is one common characteristic.....we want to determine the way things are on our holiday. There are enough times in our ordinary lives when we have to put up with what comes our way, that make us treasure the ability to choose what happens on our holidays.

This year the weather has been totally out of keeping with the atmosphere that we like to associate with the summer holiday season. Rain, rain and more rain have made us realise that these days we can't take anything for granted about the weather. We may be able to predict with great accuracy when a storm is coming in... but we are becoming reacquainted with the sometimes frightening power of nature. For a long time we have assumed that we are masters of our own destiny – we choose what we want to do and then do it.

Perhaps we need to realise that man is not all-powerful and that we actually live in this world by the grace of God. The struggle, which informs and holds together much of what is contained in the Old Testament part of the Bible, is the struggle to understand the nature and mystery of God. You don't have to turn many pages before you come to the story of Noah and that judgemental flood. But note how the story ends. God promises, never again shall there be a flood to destroy the earth.

Yes, the Bible does talk often and with great honesty about human sinfulness, but it also tells us with ever-increasing confidence, the truth that John expresses with great joy in the New Testament: **God is love.**

*There is absolutely nothing that I can do which would make God love me more than He does already.*

*And equally, there is nothing that I can do that will make God love me less.*

Like the sun in the sky, which is always there even if it's hidden by clouds, God's love is constant. The problem is not with him, but with our tendency to try to find shade – or to hide from the sun. God's invitation to us is to come and find all the fun, excitement, light, and warmth that we're missing!

With every good wish,

The Revd. Sue Wilson

# Alpha

## What is it?

The Alpha course is an opportunity for anyone to explore the Christian faith. It's relaxed, low key, friendly and fun!

There is a meal together at the beginning of each session which gives an opportunity to get to know each other.

Listen, learn, discuss and discover...and ask anything! Alpha is a place where no question is too simple or too hostile.

## What's involved?

The Alpha course consists of a series of talks looking at topics such as, 'What happens when we die?' 'Is forgiveness possible?' 'What relevance does Jesus have for our lives today?'

After a DVD talk we divide into groups to talk about what we've heard.

## Who is Alpha for?

Alpha is for everyone, especially:

- Ø Those wanting to investigate Christianity
- Ø New Christians
- Ø Those who are Christian and who want to brush up on the basics

## What will it cost?

There is no charge for the Alpha course, although there will be the opportunity to give a contribution towards the food.

## Where will it be held?

- Ø **On Tuesday evenings, 7.15 pm until 9.35 pm in Heversham at 'Mugisha', Woodhouse Lane.**
- Ø **On Wednesday lunchtimes, 12.15 pm until 2.35 pm at the Church Centre in Milnthorpe**

## When will it take place?

**Heversham: Tuesday October 2nd and then weekly finishing on Tuesday 11th December 2007**

**Milnthorpe: Wednesday October 3<sup>rd</sup> and then weekly finishing on Wednesday 12<sup>th</sup> December 2007**

**For further information please contact:**

# Saint Thomas' Church: Milnthorpe Special Services, Events and News

We start October with our Harvest Thanksgiving Service and the Bishop's Harvest for the Hungry Appeal.

We have so much for which to be thankful here – let us not forget those in other countries with so little.

## **St Thomas' Church celebrates its 170th birthday this month!**

It's not quite the time to match the year long celebration of events that marked the 150<sup>th</sup> anniversary...we'll have to wait another five years for that!

Nevertheless, those of you with long memories will no doubt remember some of the events... the dinners, entertainments, flower festivals, treasure hunts and carnival children's holiday week. We'll have to rely on the photograph albums to jog our memories for the rest.

However, we do want to thank God for all the stories and happenings that have made up the history of the last 170 years and for the way in which He has led us on such a fascinating journey throughout this time.

Anniversaries aren't just an opportunity to focus on the past, looking forward is important too and so it is with real thanks for the past and excitement for the future that we have a United Service at St. Thomas's on the 30<sup>th</sup> September at 11 o'clock.

### **Milnthorpe Parish pastoral visiting**

Please let Revd Sue Wilson (63125) or Eryl Ricketts (01524 761076) know of anyone ill at home or in hospital who would appreciate a visit.

The meeting of Milnthorpe-with-Heversham Mothers Union opened with contemplative music, followed by the hymn "Be still for the presence of the Lord", and meditation on the Lords Prayer- being the theme of the service led by Joan Ellam, with a Bible reading by Judy Dyer.

Branch leader Joan Ellam announced that she was retiring after 3 years leadership – Judy Dyer will also be retiring, as secretary.

Are there any volunteers for the posts??

intentions for the future. Recent activities  
were reviewed and Harvest, Advent and  
Christmas services planned in outline. It  
was also agreed to have an All Souls Day  
Service on the evening of Friday 2

**Levens Village Plan Update**  
The questionnaires have been circulated  
to all the households in Levens Parish,  
these were very well received and the  
level of response has been high. We now  
have the onerous task of inputting the  
data gathered onto the analysis software.  
In addition to the household  
questionnaire:- a young persons social  
event is being held to gain the views of  
all 11-17 year olds within the Parish and  
also a Business questionnaire is to be  
circulated to all businesses within the  
Parish. A school project was carried out  
earlier in the year to obtain the views of  
the under 11s within Levens Parish.  
We would like to take this opportunity to  
thank everyone involved so far, for their  
assistance with the Levens Village Plan.  
We will keep informed over coming  
months of any further updates, in the  
meantime, if you have any queries,  
please contact us (see notice boards for  
contact details).  
Many thanks -

A vacancy will arise in January 2008 for a Clerk to Levens Parish Council. The person appointed will be required to work from home for approximately 4.5 hours per week. A laptop computer is available using Microsoft Office software. The present wage is in accordance with the recommended NALC rates. There are about 11 meetings a year (including the Annual Parish Meeting) and meetings are held at the Methodist Chapel Meeting Room.

The clerk is responsible for organizing the meetings, producing agendas and taking minutes, dealing with correspondence, managing the finances of the Council and advising on Local Government procedures. Knowledge of accountancy and Local Government procedures would be an advantage but not essential. Some training is available.

For further information please contact the Chairman, Susan Bagot on 015395 61346 or the present Clerk, David Butler on 015395 61906.
