Dear friends,

A fascinating aspect of the English language is that it contains many phrases and sayings which, although they are often used today, clearly have their origins in a bygone age. When we are told 'Never look a gift horse in the mouth' we know that the speaker is telling us to respect the giving of a present and not to carp about any possible shortcomings. It is effective communication even though most of us have never been given a horse and we would not know how to tell its age by looking at its teeth. The expression is a quaint one and it survives in modern times. It tells us a little about life long ago and its use is harmless. However some old fashioned phrases reveal ancient prejudices and beliefs which may cause hurt and resentment. Not many of us would use the expression 'It's like looking for a nigger in a woodpile' even though this saying was in common use not so long ago. It is comforting to think that society has 'moved on' and that we have become more sensitive to the feelings of others.

Convenient short hand phrases can still reveal the possible limits to the thinking of the speaker who may be unintentionally endorsing a narrowing of perspective. When someone says 'We need to have a closer look at this' we usually nod in agreement assuming that a nearer stance will show more detail and enable us to better understand what we are looking at. Another response to this phrase is 'No, we need to stand back for a wider view; a distant perspective will be more helpful'. Both thoughts are valid but illustrate that colloquial language is not always the best language and its widespread use may owe more to laziness than literacy acumen.

In the parable of the tax collector Jesus' association with tax collectors and sinners shocked the sensibilities of orthodox Jews. When the Pharisees challenged his unorthodox behaviour in eating with public sinners, Jesus' defence was quite simple. A doctor doesn't need to visit healthy people; instead he goes to those who are sick. Jesus came as the divine physician and good shepherd to care for his people and to restore them to wholeness of life. The choice by Jesus of the physical healing metaphor clearly gives us the message that all people are in need of spiritual healing and therefore all people are equal in God's eyes.

A parable can be considered as an extended metaphor. They are a powerful teaching device which Jesus used in His ministry. We need to make our own but we can only do that if we are clear about the message we wish to send.

God bless,
Revd Annette

Prayer Cycle
We invite you to join us in praying for our village; for those who live in it, those who work in it, and those who visit. In July we think especially of Brigsteer Road, Hyning Court and The Hyning, in August of Main Street, The Green, Square & Vicarage Rd.

Thank you to all who, once again, supported Arnside Guides' Plant Sale & Coffee Morning. After expenses were met, a cheque of £571 was sent to a St Mary's Hospice, and an equal amount went to Arnside Guides. Look forward to seeing you next year !

Leavers Service Friday 17th July at 1 pm at St John's Church. Community warmly invited.

Post-earthquake update: All U.M.N. (United Mission to Nepal) and INF (International Nepal Fellowship) personnel are safe after the two major earthquakes, although some families are still in tented accommodation. Many of the medical staff from Tansen hospital, where Rachel Karrach is director, went off to the Ghorka district *[epicentre]* to offer help as there were so many casualties. Remaining staff at Tansen worked with great restraints coping with the many demands of a normally very busy hospital. Having been weakened by the 1st quake, many houses (approx.. 800) in Tansen came down when the 2nd one hit.
In one village where 400-500 folk lived, only 12 were left.
Do continue to PRAY for:-

1. The 1000s of Nepalis still suffering
2. The homeless, especially during the monsoon due to break this month
3. The many Aid workers trying to bring order to the chaos
4. The Government as they battle with the situation.

Thank you for this report by Frances Makin, who worked there herself for a long time , Ed.

Milnthorpe *Art Exhibition* 2015

Thursday 23rd, Friday 24th and Saturday 25th July
from 10 am to 7 pm
and Sunday 26th from 10 am to 3 pm

We are now in our 26th year and we are the largest open art exhibition in the North West. Part of the reason for our success has to be that "We are to art what Fairtrade is to coffee !" We provide a fair deal to our contributing artists in terms of commission. Volunteers run the exhibition and we plough any "profits" back into the local community and charities. So we have attracted many prominent NW artists to exhibit over the years.

This year (with your help!)
we will donate several thousand pounds to
Jigsaw - Cumbria's only Children's Hospice and to St Thomas'.

Green Corner

As I write, the words of a number of concerned friends are ringing in my ears: "We've hardly seen any bees this year." How worrying. We depend on bees as our primary pollinators and if they stop visiting our farms and gardens, our food security will be compromised.

Bees are in decline for a number of reasons: a virus, changes in farming practices, which have changed the nature of their forage areas, the reduction in natural hay meadows, the over-use of pesticides and herbicides… The list goes on.
The situation is bad for bees and bad for us.

Is there anything we can do? Well yes, we can use natural ways of controlling pests and looking after the soil, and we can choose to plant single flowers which allow bees and insects access to nectar and pollen. If the stamens are visible, the insects can get to the pollen and nectar.
Let's consider Britain's favourite flower, the rose; there are lots of stunning single -flowered cultivars. These have the added bonus of bearing hips in the autumn, which both look great and feed the birds through the winter.
All part of the interconnected web that is the natural world, and we tamper with it at our peril.

Milnthorpe Primary School

OFSTED

Milnthorpe Primary School was inspected in March 2015 and was rated 'Good' in all areas by OFSTED. The report highlighted the fact that, 'The rich and vibrant curriculum provides a wide range of activities both in school and beyond. The residential trips for the older pupils give them the opportunities to develop new skills and grow in confidence through a range of outdoor activities. Pupils do well in sporting competitions, develop a love of the arts and have an excellent grasp of using new technologies. In Key Stage 2, all pupils learn to play the flute and guitar or ukulele.

Sport

We have recently installed a new playground area with thanks to Sport England. This has added to the sporting opportunities which the children have and we are looking forward to making good use of this. This year, the children have taken part in a variety of sports including bowling, mountain biking, football, cricket, skiing, gymnastics, hockey and athletics. We are looking forward to offering lacrosse from September.

Art projects

We have spent the past year working on an intergenerational arts project with Kendal Window on the Arts. All of the children have been working with local artists and older members of the community on a variety of arts projects linked to the past. The work has been displayed in the community adding to the sense of pride which the children felt.

Earlier in the year, we also took part in the Comic Arts Festival with our work displayed in Kendal.

Each child in school has produced a wall time to commemorate the First World War. These form a much larger display outside school

This term we have been thinking about:

Year 1: Which birds and plants would Little Red Riding Hood find in our school grounds?
Year 2: Why do we love to be beside the seaside?
Year 3: Why do so many people go to the Mediterranean for their holidays?
Year 4: What happens to the food we eat?
Year 5: Who were the Aztecs and what have learnt from them?
Year 6: I'm a Year 6 pupil; can you get me out of here?

We have some places in our school and nursery for September. Please telephone 015395 62344 for more information. To find out more about us visit our website at www.milnthorpe.cumbria.sch.uk or follow us on twitter @MilnthorpeHead

LEVENS SCHOOL

Here at Levens School we are in in the midst of the busiest term of the year, packed to capacity with events and exciting news.

Headteacher Changes
Whilst we sadly report that Matt Foxwell, our Headteacher for the last 8 years, will be leaving us to adopt Headship of Staveley School from September, we are delighted to have secured Mrs Jane Farraday as his replacement. We will be introducing Mrs Farraday to the Community early in the new academic year, and as a staff are really excited to be adding her to the 'Levens Team'.

Leavers and Starters
Goodbyes also to our fabulous Year 6 cohort, moving on very soon after a fistful of special treats that we have lined up for them. This year all 9 children will be transferring to Dallam, and we are confident that we are sending them a mature, focussed and attentive group who will make us proud.

To replace them, we have already started the induction process with 14 Reception pupils; this is always a lovely time enjoyed by everyone at School particularly the current Reception Class, who like to 'show the ropes', offering their Levens School expertise!

Activities and Events
We are particularly proud that all of our children, aged from 4-11, have participated in Outdoor Education Activities provided by the expert Dallam Team this Summer, from Caving to Canoeing to Ghyll Scrambling, our aim is to develop and sustain a life-long love of our special local environment.

The cold spring finally broke in time for sports day, we all had fun in the sun with a mix of team games and traditional running races, finished off with the traditional fancy dress obstacle race for the Year 6 leavers.

All children will also be undertaking fell walks. In addition, Bowfell Class are off to the Haverthwaite trains, all Juniors are participating in the 'Big Sing' at Gateshead, and Skiddaw Class have been having the very best nature experiences, Reed Planting with the National Trust, and experiencing a fantastic day of bird education at Leighton Moss courtesy of the RSPB.

Matthew has kindly drawn us a picture of his favourite bird.

Don't forget to visit our website for the latest news and reviews www.levens.cumbria.sch.uk

HEVERSHAM ST PETER'S CE PRIMARYSCHOOL
www.heversham.cumbria.sch.uk

The Good Shepherd Multi Academy Trust

It has been an exciting term so far for Heversham St Peter's! We joined the **Good Shepherd Academy Trust** on 1st June and celebrated this with a special worship attended by Bishop Robert of Penrith.

Our learning topics in Key Stage 2 this term include **"The Tudors",** with the children learning Tudor dance, Tudor cookery and, of course, all about Henry VIII and his six wives. Reception and Key Stage 1 are thoroughly enjoying learning about **Beatrix Potter** and they had a lovely day for their trip to the author's house and "The World of Beatrix Potter". Our Christian values for this term are "Truthfulness" and "Trust".

Years 5 and 6 attended a fun-packed and educational residential visit to Liverpool in May, including a tour of Liverpool Cathedral, an adrenalin-fuelled powerboat ride on the Mersey and visits to the museums.

As well as a varied programme of **after school clubs every day**, the school also runs a **breakfast club from 8am at a cost of £2.50 per session.** We are committed to providing high quality wraparound care for the convenience of our busy parents.

Recent sporting events include the Dallam football tournament, a safari hunt at Dallam for our younger children, several cross-country tournaments and the TATA "Kids of Steel" triathlon. Some of our Year 6 children also took part in an "open water swimming" event at Kendal Leisure centre where they met Welsh Commonwealth Games and Olympic medallist David Davies. Our Year 5 children are attending bowling sessions one afternoon per week at Heversham Bowling Club.

Upcoming events this term include:

Domino and Disco evening at Park House Farm on Sat 27th June
"Big Sing" at Casterton Sedbergh Prep School (Key Stage 2)
Open Gardens Day on 5th July, when our school and grounds will be open to all
"Art on Tour" on 8th July when we will have Keith Grant's original paining "Svolvaer Motif" in school
Strawberry Tea at the Athenaeum on Sat 11th July

Please contact the school office 015395 62514 for further details.

Staff retirement
This summer we bid farewell to Mrs Wendy Armstrong, Assistant Headteacher and Mr John Holden teacher of RS and Philosophy and formerly a Head of Year. Both have given considerable support to students over the years and we wish them a long and happy retirement.

Examinations
Students in Years 10, 11, 12 & 13 have been working very hard sitting public examinations. We wish them all success and look forward to A' Level results day on Thursday 13th August and GCSE results day on Thursday 20th August.

New Intake Evening and Induction Day
We will be welcoming the new Year 7 students to our New Intake Evening on Monday 22nd June and Induction Day on Tuesday 23rd June.
We are delighted that for 2015/16 we will have our highest intake number for quite a few years.

Year 10 Careers Morning
Employers and education providers helped our Year 10 make decisions about their future careers choices. Representatives from the host of organisations listed below supported and informed Year 10 students in rotational meetings to discuss what life would be like working for, or undertaking courses or apprenticeships with, them. The students moved around the groups and visited the stands of 3 of their own choice for 15 minutes presentations and discussions. The conversations on the way out reflected what they had gained from their meetings and we hope it helps students with their careers choices in the future.

Thank you to: *Premier Inn, Siemens, University of Cumbria, Springboard, Castle Green Hotel, GSK, Lancaster and Morecambe College Hair and Beauty, Myerscough Sport, Newton Rigg Animal Care and Agriculture, The Army, B & Q, Briscoe Construction, James Cropper and EDF Energy.*

Kendal Colour Dash for St John's Hospice, Lancaster
Dallam boarders and staff had a fantastic day at the 5K run/walk in Kendal in aid of St John's Hospice. Whilst they started clean and white, they ended far from it in multi-coloured paint splattered t-shirts, faces and bodies!
